SKILLS SUMMARY

Languages:	C, C++, Python, Java
Web Technology:	HTML, CSS
Frameworks & Libraries:	Node.js, React.js
Web Development:	MERN Stack (MongoDB, Express.js, React.js, Node.js)
Database:	SQL, MongoDB
Tools/Platforms:	Wireshark, Git, GitHub, Linux
CS Fundamentals:	OOPS, Computer Networks
Soft Skills:	Problem-Solving, Adaptability, Collaboration, Time Management

PROJECTS

Aegisrecon | Link June 2026 – July 2026

- Crafted an AI-powered OSINT & cybersecurity reconnaissance platform for email exposure, domain, DNS, WHOIS, subdomain, and security-header analysis.
- Integrated Gemini API for AI-assisted security analysis and defensive recommendations.
- Tech: React, TypeScript, Node.js, Express.js, Gemini API, REST API, Vercel.

Nova-Ai-Companion | Link April 2026 – May 2026

- Built a domain-specific GenAI chatbot for gamers, providing contextual game tips, strategies, lore explanations, and realtime assistance.
- Developed a cyberpunk glassmorphism UI using HTML5, CSS3, and Vanilla JavaScript, with Markdown support and persistent chat history using LocalStorage.
- Implemented Google Gemini 2.5 Flash API with prompt engineering and domain constraints for fast, focused gaming responses.
- Tech: HTML5, CSS3, JavaScript, Gemini 2.5 Flash API, REST API, LocalStorage, GitHub Pages

Tamanna Textiles | Link November 2024 – March 2025

- Created a responsive garment e-commerce website with product showcases, categories, promotional banners, and interactive navigation.
- Designed a user-friendly interface using HTML, CSS & JavaScript with responsive layouts and dynamic interactions.
- Tech: HTML, CSS, JavaScript, Git & GitHub

CERTIFICATES

Ethical Hacking & Network Security Mastery | LPU — July 2026
Database Management System Part – 1 | Infosys — July 2026
Database Management System Part – 2 | Infosys — July 2026
CyberSmart Awareness | WNS Cares — October 2025
Programming Using C++ | Infosys — August 2025

ACHIEVEMENTS

CyberSmart Volunteer, WNS Cares Foundation October 2025
Educated 40 community members on cybersecurity awareness and safe digital practices

Python 5-star Badge September 2025
Awarded a 5-star badge in Python for consistent high performance and proficiency in competitive programming challenges

NGO Volunteer-Community Service July 2025
Contributed to social welfare initiatives by distributing free meals and offering support to underprivileged communities

EDUCATION

Lovely Professional University Phagwara, Punjab
B.Tech. Computer Science and Engineering (AI & ML) | CGPA: 7.0 August 2024 – Present

Matrix Public School Sikar, Rajasthan
Intermediate: Percentage: 87 April 2022 - March 2023

Tagore Public School Gudha Gorji, Rajasthan
Matriculation: Percentage: 94 April 2020 - March 2021
